ONE-STOP OEM/ODM

YONGKANG NANTIAN INDUSTRY & TRADE CO., LTD.

Yongkang Nantian Industry and Trade Co., Ltd. is a strong garden tool manufacturer that was found in 2010, which professionally combines development, production and sale as a whole. The main product is Chain Saw, Brush Cutter, Hedge Trimmer, Earth Auger, Water Pump and so on. The products have obtained CE,GS,EMC, Euro V, and other international certifications. Corporate headquarters is located in the Hardware Capital of China - Yongkang, Zhejiang. The factory occupies an area of 18,000 square meters, with beautiful environment and convenient transportation.

The company has advanced production equipment, professional and innovative technicians and experienced workers. With the idea of "technology-based, market-oriented, innovative, fully dedicated to environmental protection". Also, manufacturer management is organized by ISO900:20151 and assessed by intertek. The company is deeply convinced by the customers and has become one of the rapidly developing enterprises in China.

The company is based on "NANTIAN" brand. We can guarantee both product's quality and quantity according to customers' requirements. We offer middle & high quality levels products with exportation to Latin America, Eastern Europe, Western Europe, Central Asia, Middle East, Southeast Asia, and other areas of the world. Over many years, the factory works closely with the customers, because of good stable quality and reputation and service.

What's more, the company attaches importance to quality management and brand building, and strives for well-behaved confidence. All dealers are welcome to discuss cooperation and build excellent enterprises together!

### NT5800F GASOLINE CHAINSAW

This new design machine can be used for different working situation, with low-vibration function, long time working life, efficient stable performance.

Parameters	45cc	52cc	58cc
Displacement:	45cc	52cc	58cc
Max power:	1.7kw/7000rpm	2.0kw/7000rpm	2.3kw/7000rpm
Idling speed:	3000±200rpm	3000±200rpm	3000±200rpm
<b>FUEL VOLUME</b>			
Fuel tank capacity:	550ml	550ml	550ml
Oil tank capacity:	260ml	260ml	260ml

Oil Mixture ratio: 25:1

### NT-BC430F/BC520F BRUSH CUTTER

This new design machine can be used for different working situation, with low-vibration function, long time working life, efficient stable performance.

Parameters	43cc	52cc
Engine type:	1E40F-5	1E44F-5
Displacement:	42.7cc	52cc
Max power:	1.47kw/6500-7000rpm	1.65kw/6500-7000rpm
Idling speed:	3000±200rpm	3000±200rpm
<b>FUEL VOLUME</b>		
Fuel tank capacity:	1200ml	

Oil Mixture ratio: 25:1

NANTIAN

CHAIN SAW

NANTIAN

CHAIN SAW

Double layer filtration insulates sawdust effectively.

Primer bulb for easy starting, even in the very extreme climates

Ergonomically designed handles with comfortable grip.

**Saw Chain and Bar**  
Equipped with high performance chain and low kickback bar

**Front Hand Guard**  
Reduce the risk of injury

**Safety Trigger**  
Prevents accidental acceleration

**Tool free Fuel and Oil Caps**  
Caps for fuel and oil tank require no extra tools to open or tighten

**Anti-Vibration System**  
Helps to reduce operator fatigue

## GASOLINE CHAINSAW

NANTIAN powerful chainsaw, the good choice of professionals and homeowners. Excellent power-to-weight ratio, low-vibration function, efficient stable performance, can find the suitable machines in the different situations.

12 YEARS EXPERIENCE  
IN THE INDUSTRY

# GASOLINE CHAINSAW

**NT2500** GASOLINE CHAINSAW

The most lightweight chain saw, small size, low vibration  
Especially for firewood cutting, felling trees and pruning  
operations.

# NANTIAN BRUSH CUTTER

High-performance, powerful engine with high efficiency and fuel economy performance. Meet the needs of professional users with long time and large area of operations.

Primer bulb for easy starting.

Durable gear box for high intensity working situation

Easy starter ensures easier pulling and quicker starting. Resistance of pulling the start rope can be reduced up to 30%

**Heavy-duty gear case**  
With a shape specially designed to prevent catching on grass. Grease can be also supplied very easily.

**Advanced Antivibration System**

**Somatological design handle**

**Air filter cover**  
Are easy to remove for fast and easy filter cleaning or replacement

## BRUSH CUTTER

The brush cutter can be used for different working situation, with low-vibration function, long time working life, efficient stable performance.

## BRUSH CUTTER

High-performance, comfortable and light engine with high efficiency and fuel economy performance. Very suitable for user like housewife make the grass pruning in the garden, help you easy and funny to complete the work.

**Detachable shaft**  
Detachable shaft allows for easy transport and storage

#### EARTH AUGER

##### Parameters

Engine type: 1E44F-5  
Displacement: 52cc  
Max power: 1.65kw/6500-7000rpm  
Idling speed: 3000±200rpm

##### FUEL VOLUME

Fuel tank capacity: 1200ml

Oil Mixture ratio: 25:1

### NT-G0520C

#### EARTH AUGER

##### Parameters

Engine type: 1E44F-5  
Displacement: 52cc  
Max power: 1.65kw/6500-7000rpm  
Idling speed: 3000±200rpm

##### FUEL VOLUME

Fuel tank capacity: 1200ml

Oil Mixture ratio: 25:1

### NT-G0520D

#### EARTH AUGER

##### Parameters

Engine type: 1E44F-5  
Displacement: 52cc  
Max power: 1.65kw/6500-7000rpm  
Idling speed: 3000±200rpm

##### FUEL VOLUME

Fuel tank capacity: 1200ml

Oil Mixture ratio: 25:1

## NT-MT520 GASOLINE MINI TILLER

With thick luxury frame, safe and comfortable operating system, gasoline mini tiller will let you find more funs in your garden.

### Parameters

Engine type IE44F-5  
 Displacement: 52cc  
 Max power: 1.65kw/6500-7000rpm  
 Idling speed: 3000±200rpm

### FUEL VOLUME

Fuel tank capacity: 1200ml  
 Oil tank capacity:

Oil Mixture ratio: 25:1

## NT-HBC520 GASOLINE HAND-PUSH BRUSH CUTTER

With thick luxury frame, safe and comfortable operating system, gasoline hand-push brush cutter will reduce the workloads much.

### Parameters

Engine type IE44F-5  
 Displacement: 52cc  
 Max power: 1.65kw/6500-7000rpm  
 Idling speed: 3000±200rpm

### FUEL VOLUME

Fuel tank capacity: 1200ml  
 Oil tank capacity:

Oil Mixture ratio: 25:1
